COLLEGE OF ARTS
Design Your Dreams

About LCA

London College of Arts (LCA) takes pride in offering its students a vast range of award winning, focused art education in the field of Design, Beauty and Media. LCA's specializations spread from the finesse of Fashion Design to the vast expanse of the ever growing digital world. Our pride is our award-winning students and our accreditation and endorsements which come from top rated Ofqual registered awarding bodies in the UK and our reach today is beyond the borders of the UK into Dubai, India and North Africa.

Our origin is British and we take pride in offering our British programs across the top design destinations of the globe. Our course offerings were created based on real industry demand to help prepare students for life after their education. Our purpose is not just to train and certificate the young talent but also make them responsible professionals.

Mission

- a) Create, update and deliver education that is relevant and updated keeping in mind the need of the industry
- b) Incorporate technology in the practice of design and media
- c) Educate the new generation of artists with exposure into tradition and handicrafts
- d) Develop networks internationally to draw in learning experiences to enable well informed students

Vision

The London College of Arts' vision is 'to create a platform that reaches out to the talent across the globe on-campus or by creative use of online media to train and nurture students in the field of design, beauty and media in a way that creates more responsible professionals'.

Our Advantage

1. Internationally recognized Brand Name
2. International Presence
3. Internationally Endorsed Programs
4. Award Winning Students
5. Industry Focused Programs
6. Master Classes with Experts
7. International Accreditation

Our Values

As an international provider, we encourage collaboration over competition; preach mutual respect and responsiveness; stress on academic integrity and originality; invest in research and teaching excellence and respect of the customs of our host cultures.

FASHION DESIGN

PROFESSIONAL DIPLOMA IN FASHION DESIGN

The Fashion Industry is dynamic and challenging, offering rewarding careers to those individuals who are energetic, flexible, innovative and creative. The program in **Fashion Design** is specifically designed to develop a breadth of understanding of the fashion industry and to provide a broad foundation for students from which they can determine which branch of the industry their personal talents are most suited to. LCA has offered the program for several batches now and has produced several award winning students.
